BENEFITS

Better lighting for easier finding Spend less time with your head in the fridge and more time enjoying your fresh food with Westinghouse LED lighting. More light means you find what you are looking for faster.	Helps keep your fridge smelling fresh FresherAir carbon filter helps keep the fridge smelling fresh and reduces odour transfer between ingredients.
Easy clean, adjustable shelves Cleaning your fridge shelves has never been easier. The Westinghouse adjustable glass shelving can be easily manoeuvred, allowing you to effortlessly get into every nook and cranny, no matter the mess.	Stylish design The sleek flat door finish delivers a clean, modern look that integrates seamlessly into any kitchen style.
Ice ready when you are Whether its for an afternoon juice or a whisky on the rocks, our easy access twist ice dispenser and tray allows you to just twist and serve ice simply.	Even cooling on every shelf Cooling 360° circulates cold air evenly throughout every corner of the fridge, ensuring consistent temperatures on every shelf. This helps maintain optimal freshness and, food quality, and helps keep flavours at their best no matter where items are stored.

FreshSeal Crispers

Our FreshSeal Crisper comes with manual humidity control, so you have greater flexibility to choose the optimum environment to store your fruits and vegetables.

A fridge that adjusts for you

AutoSense adapts cooling automatically based on how your household uses the fridge. It responds to busy periods by adjusting cooling to help protect fresh food and shifts to energy saving modes when you're away, all without you needing to manage settings day to day.

Dimensions

Bottom Mount Refrigerator

WBB3402WL-X

Minimum Recommended Airspaces

If you have a cupboard above the refrigerator, recommended minimum clearance at the top of the refrigerator increases to 90mm. Allow a minimum of 10mm clearance above the hinge cover.

Please note: Doors are designed to sit proud of cabinetry (not flush).

When positioned in a corner area, spacing of at least 350mm on the hinge side will allow the doors to open enough to enable the removal of bins and shelves.

Dimensions	Product Height	Product Width	Product Depth	Product Depth (Door Open)
WBB3402WL-X	1756	598	650	1199

Airspace	Side - both	Top	Behind
WBB3402WL-X	30	90	50
